

Georgia Tech Student Center Renovation

QUICK FACTS

Atlanta, GA / 4,000 SF / 2014-16

PROJECT DETAILS

- Part of our six year IDIQ contract, Warner Summers updated several spaces within the Georgia Tech student center including:
 - Dublin Meeting Room
 - Buzzcard Center
 - Student Lounge
- Branding elements and artwork were key design drivers in these spaces
- Ambient lighting creates a warm, inviting feeling that allows students and guests to linger

SERVICES PERFORMED:

Interior services including materials selection, branding, art selection, construction administration.
