AWARDS

CREW Atlanta design award for Best Interior Design of a Healthcare Space

"Warner Summers is consistently the Piedmont Physicians Project Management team's first choice for design services. The level of customer service we receive makes us feel we are their only clients and they often go beyond what is required to hit seemingly unattainable deadlines. We are guaranteed to have a successful project and a beautiful space with them on the team".

SERVICES PERFORMED:

Complete full-service interior design including medical office prototype alignment, equipment analysis and coordination, art selection, signage coordination, construction administration.
