

The Task Force for Global Health

QUICK FACTS

Atlanta, GA / 32,000 SF / 2018

PROJECT DETAILS

- Entire building renovation following our client's purchase of the property: parking deck, exterior facade improvements as well as interior upgrades and build-out
- Transparent, town-hall style process during the design to involve staff with the choices made- Warner Summers led these workshops which yielded greater buy-in from the staff
- Neighborhood teaming zones creates an area where privacy & collaboration can co-exist

AWARDS

LEED Certified

SERVICES PERFORMED:

Complete full-service interior design including workplace strategy alignment, furniture and materials selection, branding, art selection, construction administration.

“We are deeply grateful for Warner Summers' partnership on our building project. This facility has been transformational for our programs, providing much-needed space to work collaboratively on large-scale health problems.

-- Teri P. McClure, JD
Chair, Board of Directors
